Quality Area 6: Collaborative partnerships with families and communities

Enrolment and Orientation

Enrolment and orientation procedures form the foundation for strong relationships between families and staff at Periwinkle Preschool, fundamental to quality education and care for children. Procedures enacted during enrolment and orientation include providing clear and consistent information about Periwinkle Preschool policies and procedures, enabling a smooth transition into the program and enabling a safe and secure environment for children and families.

Periwinkle will ensure:

- Children are provided with support and comfort to settle into the service and establish new friendships and relationships;
- A thoughtful process is planned in consultation with families, to assist in separating from their child;
- Home language, cultural background and family priorities are considered at all times during the process

Our goals in relation to enrolment and orientation are to:

- comprehensively orient children and families to Periwinkle Preschool
- warmly welcome families from diverse culture and language groups during enrolment and orientation
- complete all documentation required to ensure children's safe participation in the program in a timely and comprehensive manner.

Strategies

Waiting list application

- Families may visit the Periwinkle website or visit the Preschool by appointment in order to place their child on the waiting list. Placing a child on the waiting list incurs an administration fee of \$25.00

Pre-enrolment orientation
